Building Peace

Building peace is the way
To learn a lot and have a happy day
So I'll be a PeaceBuilder™
Just you wait and see
Come and build the peace with me

Building peace is the way
To learn a lot and have a happy day
So I'll be a PeaceBuilder
Just you wait and see
Come and build the peace with me

I'll take a lot of pride and I'll tuck my
shirt
I'll follow all the rules each day in school
So I'll be a PeaceBuilder
Just you wait and see
Come and build the peace with me

I'll take a lot of pride and I'll tuck my
shirt
I'll follow all the rules each day in school
So I'll be a PeaceBuilder
Just you wait and see
Build the peace with me

I'll do my homework every day
I'll build peace at work and play
So I'll be PeaceBuilder
Just you wait and see
Come and build the peace with me

I'll do my homework every day
I'll build peace at work and play
So I'll be PeaceBuilder
Just you wait and see
Build the peace with me

Building peace is the way
To learn a lot and have a happy day
So I'll be a PeaceBuilder
Just you wait and see
Come and build the peace with me

Building peace is the way
To learn a lot and have a happy day

Just you wait and see
Come and build the peace with me

PEACEBUILDERS® SONG LYRICS

I'm a PeaceBuilder

I'm a PeaceBuilder at my school.
I'll try each day to follow the rules.
Seek wise people, notice hurts,
Right all wrongs, come on it works.

I will promise to praise my friends,
Every day again and again.

I'm a PeaceBuilder. (8 times)

Homework is my priority.
Sing this song along with me.
Sharing, caring all the time,
Doing my best to stay in line.

I'm a PeaceBuilder. (8 times)

PeaceBuilders Know How to Walk in Line

PeaceBuilders know how to stand in line.
PeaceBuilders keep their hands behind.
PeaceBuilders know just what to do.
I'm a PeaceBuilder. How about you?

PeaceBuilders know how to walk in line.
PeaceBuilders keep their hands behind.
PeaceBuilders know just what to do.
I'm a PeaceBuilder. How about you?

I'm a PeaceBuilder! I'm a PeaceBuilder!
Hey, I'm a PEACEBUILDER!

When I say Peace, you say Builder
Peace.....Builder (repeat 4 times)

AMAZING PEACE

(by Mrs. Mitchell's 5th graders in B-10)

Amazing peace, how sweet the sound
Of laughter in the air
At work or home or in our school
Peace is very cool.

When we put peace in all we do
And follow the golden rule
Then look around and you will see
People in harmony.

Seek wise people all around
And give up your put-downs
Praise people too and right your wrongs
Then peace will be our song.

Amazing peace, how sweet the sound
Of laughter in the air

PeaceBuilders Rap

(written by Cindy Knight at Bostonia Elementary in Cajon Valley Unified School District)

I'm a PeaceBuilder
And I'm here to say
I'll build peace
In my own special way.
If there's a wrong,
I'll make it right
And any other problems
I won't fight.
I'll be a wise person
Cause that's really smart.
I'll study hard in school
And get a head start.

I'll never give a put-down.
I'll have lots of friends.
I'll be really cool
And set a lot of trends.
I'll always take responsibility
For righting every wrong.
I know when I grow up,
This will make me strong.
I'm a PeaceBuilder
And I'm here to say,
I'll build peace
Each and every day.
